

Services de santé de Chapleau Health Services

Is looking for two different types of drivers!

- 1) Volunteer drivers for our Senior Transportation program to transport seniors to their out-of-town medical appointment
- 2) Paid drivers to transport non-urgent hospital patients to out-of-town medical appointments. Drivers will be paid \$18/hour and will be part of a call list. The service will be on an as needed basis and a health care worker will be present on majority of transfers dependent on patient need.

-Must hold valid Class G Ontario Driver's License with a minimum of 3 years driving experience

-Must have an excellent driving record with less than 4 demerit points

-Experience working with the elderly, cognitively impaired, and/or physically disabled is an asset

-Must be available to drive during the daytime as well as non-traditional hours as scheduled

-Training in emergency First Aid, or be willing to acquire it.

-Provide clean criminal record check

-Proof of up to date immunization and Occupational Health clearance (done with Occupational Health Nurse)
