About the Position

This is an exciting opportunity for a physiotherapist looking to practice to their full scope of practice with a varied client base. The physiotherapist is responsible for planning, organizing, implementing, and controlling the administrative and therapeutic activities of all rehabilitation services to ensure that an optimal level of services is available to the hospital, community and long-term care, and primary care. Rehabilitation services include but are not limited to physiotherapy, occupational therapy, and activation. The incumbent also provides all of the program's physiotherapy treatment and services.

Recruitment & Retention Incentive Package

We offer a competitive compensation based on skills/experience, a full benefits package, including Hospitals of Ontario Pension Plan (HOOPP), flexible work hours, and paid professional development/educational opportunities. Ask us about our relocation allowance program.

Interested applicants may submit resumes to:
