

Services de santé de Chapleau Health Services is seeking a Full-Time Physiotherapist

Services de santé de Chapleau Health Services (SSCHS) is an accredited integrated healthcare provider, in the rural township of Chapleau located in Northern Ontario. The organization is comprised of a 13 bed acute care General Hospital; a Nursing Station; a variety of Community Services, including adult mental health and addictions; a 23 unit apartment complex for seniors; and a 25 bed long-term care facility with 2 respite beds, 4 chronic care beds and 19 long-term care beds. Chapleau has a population of approximately 1,964 (2016 census) and is nestled in the heart of the Canadian Shield with access to provincial parks and year-round recreational activities. If you're looking for a great work-life balance in a friendly community, come and visit.

About the Position:

This is an exciting opportunity for a Physiotherapist looking to practice to their full scope of practice with a varied client base which includes hospital, long-term care, community and primary care. The Physiotherapist is responsible for planning, organizing, implementing and controlling the administrative and therapeutic activities of all Rehabilitation Services to ensure that an optimal level of services are available to the Hospital, Community and LTC. Rehabilitation services include but are not limited to physiotherapy, occupational therapy, and activation. The incumbent also provides all of the program's physiotherapy treatment and services.

About the Recruitment & Retention Incentive Package:

We offer a competitive compensation based on skills/experience, a full benefits package, including Hospitals of Ontario Pension Plan (HOOPP), flexible work hours and paid professional development/educational opportunities. Ask us about our relocation allowance program.
